ABBOTT LABORATORIES / CLERK'S NOTICE RE  
DOCUMENT FILING

1       It has come to the Court's attention that counsel in the  
2 above-captioned related cases have been incorrectly e-filing  
3 documents in these related cases. The above-captioned cases have  
4 been deemed related; therefore, if counsel is filing a document  
5 that applies to **all** of the related cases, then the document must be  
6 e-filed in **all** of the cases and the caption shall include all the  
7 names and case numbers of the cases. If counsel is filing a  
8 document that applies only to **certain** cases, then the document is  
9 only e-filed in those **particular** cases and shall be captioned with  
10 only those particular case names and numbers. If a document  
11 applies to **one** case then the document is only filed in the **one** case  
12 and shall be captioned with only that case name and number. In  
13 addition, it is only necessary to provide **one courtesy copy** to  
14 chambers of a document even though it may have been filed in more  
15 than one case.
